The Piper Jones Band is a lyrical, high energy trio based on the moving and beautiful sounds of the Highland bagpipes, accompanied by unique percussive chords from the bouzouki and inspired drums. While maintaining a strong musical base in traditional tunes from Ireland, Scotland, and Appalachia, the group also performs original instrumental compositions and powerful vocal harmonies, as well as stepping off stage from time to time to lead the audience in traditional Celtic dances. The Piper Jones Band brings authentic, traditional music to the audience in a fresh, entertaining way.
