A Message From Our Pastor...

“Find your passion”

There are so many ways to be active in our culture. Far removed are we from the day when all of one's energy is expended on survival. Many of us are not awake before daylight to milk the cows and finish the light of day plowing the fields, only to do it all over again the next day. Instead, most of us have the luxury of having hobbies and special interests. There is no shortage of options for such interests. Even in the smallish town of Greenwood, one can get involved in clubs, sports, and serving opportunities.

Once, on a hike with a friend, we were discussing the joys and stresses of parenting. We both had young children and high hopes for them. My friend told me that he did not have their course in life picked out. He did not want to push them into a profession or lifestyle. He just wanted to see them have a passion in life that would excite and energize them. I have often found that to be a good goal. The problem, however, is that not all passions are constructive and have a positive impact on our world. Jesus warns us against placing our heart where moth and rust can destroy (Matthew 6:19). In other words, be careful to devote yourself to things that will last and lead you well.

One of the great joys of being a pastor is watching people grow their passion for life-giving causes. There are groups within our church that focus on praying for or serving others. After all, the church is not meant for our consumption but for serving and glorifying the creator of the cosmos. Sometimes churches can slide into a rhythm and become complacent and indifferent to the needs of the hurting and vulnerable. Our recent capital campaign was a spark that showed the passion some have for reaching people outside of our present fishers' net. It was good to see a passion that is not self-serving but kingdom-building. Many in our congregation are actively praying for the struggles of people across the globe, not the least of these are the Din family amid war in Pakistan. We are passionately praying for peace.

The challenge I want to issue to our congregation is to pay attention to where you are placing your passion these days. Is the time you spend each week allocated to something meaningful and long-lasting? Are you only serving yourself, or do you consider how you can be a servant to others? Can you go to bed at night confident that the work you did in the fields will yield a crop tomorrow?

Blessings,

Pastor Kyle

Secret Angel Ministry is better than EVER!

Secret Angels at FPC exist to encourage and support young adult members in the 4 transitional years past high school. We do this in a variety of ways using guidelines set up by the Secret Angel Committee. The guidelines below have been revised to reflect fairness and balance. We hope you will participate by volunteering to be a Secret Angel.

If you are a young adult, we hope you will complete the Secret Angel information form which can be found in the church office. The form will also be mailed to eligible young adults and a digital form emailed where emails are available. You may quickly access and complete the form via the QR code provided below.

The goal of FPC's Secret Angels is to let these young members know they are being prayed for and thought about. Monthly cards are encouraged. We do not want to send the message that money and gifts are needed to feel supported and loved. We also want each person to feel it is equal and fair. Any monetary gift, such as cards, should be limited to twice a year and \$15 each.

Young adult members must have completed high school or received a GED and be within 4 years of receiving their high school diploma. Attending a college or university is not a requirement, as it was in past years.

Secret Angel volunteers should use the church's address as the return address when mailing a package or card so the volunteer can remain a secret. Church's Address: P.O. Box 426, Greenwood, SC 29648.

Volunteers-YOU-will make a difference with our prayers, communication, and our love. Small gestures can make a huge difference.

If you would like to volunteer to be a Secret Angel or have any questions, reach out to Lynn Mack, lynnmack12@gmail.com, cell: 864-980-6345.

Ready with the Reason – VBS for Adults 2025

Has someone ever said that they wish their life was more like yours or that they wish they had what you seem to have? Has someone ever asked you why you are a Christian or why you believe what you do?

1 Peter 3:15 says, “Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have.” The technical word for such an answer is *apologetics*, and **Adult Vacation Bible School** this year will present an introduction to Christian apologetics.

We will look at foundational principles and big questions that non-believers or skeptics often raise about: the existence of God, the problem of evil, the divinity of Jesus, the reliability of the Bible, and more. And for each topic we will introduce a specific approach for talking about (or otherwise sharing) what we believe as Christians.

We will also consider specifically how to talk about our *Presbyterian* beliefs. We’ll look at distinctives of the Reformed and Presbyterian tradition that bear on witness and evangelism (which is not what we’re best known for 😊)

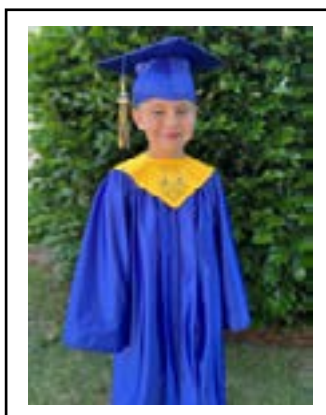

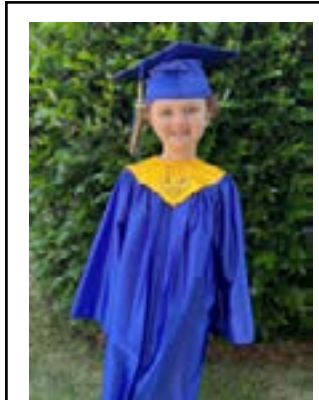

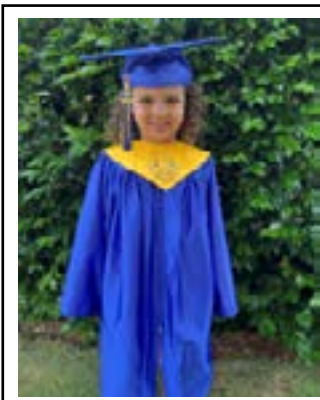

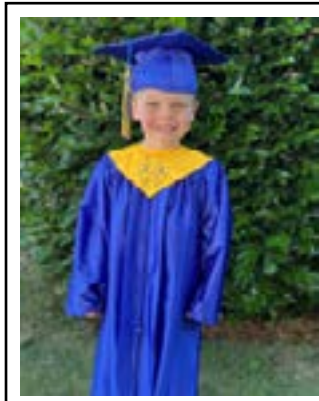

Each evening of Adult VBS—**Sunday-Thursday, June 8-12, 5:30-7:00**—we will add a practical piece to your apologetic toolkit, so that you will always be ready to tell anyone about the difference that being a Christian makes in your life.

Join us for the cookout on Sunday at 5:30. Please bring a side dish to share. We will have snacks and beverages Monday-Thursday.

To help us prepare, if you plan to attend Adult VBS 2025, please let us know by contacting Dr. Brad Christie (brad@firstgreenwood.com) or Lea Jones at 229-5814, office@firstgreenwood.com or in person at the church office.

Congrats Grads!

2025 Noah's Ark Preschool Graduates

We are so proud of each one of you! You have grown so much through your years at Noah's Ark. We pray that you take the foundation you've received here at the Ark and thrive in your next season. Remember, you are a child of God- wonderfully made, dearly loved, and precious in His sight. There is no one else like you!

ENDOWMENT UPDATE

The Endowment Committee approved several requests during the May 12th quarterly meeting.

- Over \$30,000 in scholarship funds will be awarded to our high school graduates and former qualified graduates at our Baccalaureate Sunday service on June 1st.
- Support for the mission field is a historical and long-standing aspect and outreach for our congregation. Approval to award \$25,000 to match \$17,000 of other funds will be funneled to support the work of our Din family in Pakistan. The funds will support the first phase of developing a Technical Center for the education & training of students that will improve their opportunities of escaping poverty and lives of near enslavement in the brickyards.
- Designs and proposals were presented for the renovation of the original Byrd Garden, located between the Fellowship Hall, the education wing and music rooms of the church. Additional information will be provided prior to the release of \$25,000 for the project.

Many of our congregation's members receive the Thornwell Life publication from Thornwell Children's Home in Clinton, SC. The recent article entitled: 'Spreading Seeds of Generosity', acknowledged First Presbyterian of Greenwood Endowment's recent support in providing funds in December 2024 for machinery attachments to be used with a donated Caterpillar 973 dozer loader. This will greatly assist in the renovation of their Lush Acres Farm that help support the work of Thornwell.
